

Service partnership between Testo Industrial Services GmbH und HIOKI EUROPE GmbH

As one of the leading providers of metrological services in Germany, we support you throughout Europe with the calibration and repair of your HIOKI measuring instruments. Testo Industrial Services GmbH has been a certified HIOKI service partner since 2020 and specialises in the calibration and repair of HIOKI products.

What makes us stand out?

- ✓ Reliable service: short turnaround times and fair repair prices
- ✓ Original parts: Minimise downtime by using original spare parts
- ✓ Exclusive access: professional repair thanks to access to HIOKI Service Manuals
- ✓ Everything from a single source: calibration & repair from a single source, saves time and increases efficiency

If you have any questions or require a customised offer, please do not hesitate to contact us. We will process your enquiry immediately so that you can benefit from our comprehensive service as quickly as possible.
