## Trainee Calibration Technician

Testo Industrial Services GmbH (TIS), a subsidiary of Testo SE & Co. KGaA, are one of the leading providers of metrological services in central Europe. These services include calibration, test equipment management, qualification, and validation.

An exciting opportunity now exists to join Testo Industrial Services Ltd (the UK subsidiary based near Basingstoke) as a Trainee Calibration Technician. This should be considered a technical role and laboratory-based.

### Scope of the role:

As a trainee you will have the opportunity to learn new skills from one of Europe's leading calibration and service providers. Initially training will be across a number of parameters to include thermodynamical, mechanical and electrical measurands with a long-term view to specialise in one or two parameters. In addition, an overview of the business and processes will be provided with access to remote learning at a Technical college in an engineering discipline.

### Main Tasks:

- Technically support Calibration Services (CS) ensuring customers instruments are calibrated in accordance with the company's internal processes
- Ensure efficient through put of work to meet the companies KPI's
- Support the accredited activities for the calibration laboratory

### Additional Tasks:

- Supporting other internal departments as required
- Occasional work (supervised) at a customer's site may be required from time to time
- Develop skills in quality related processes and customer services
- International cooperation with TIS headquarters in Germany

### Your qualifications/qualities:

- Ideally GCSE grades C and above in English, Maths and Sciences
- A good level of understanding of technology and be process oriented
- Good PC knowledge (MS-Office)
- Good organizational skills and attention to detail
- Enjoy challenging tasks and willing to learn new skills.
- Willing to embrace company culture and live the company values

### Employment benefits:

- 1st Year trainee salary £18k per annum
- 23 days Annual leave entitlement plus statutory bank holidays
- Pension – employer contribution 5% of annual salary
- Health Insurance, Life Insurance
